Testing Throughout the week, the 3rd-8th graders will be taking various tests. Please keep in mind and remind your child(ren) that these tests do not count toward any grade that they will ever receive; these tests are meant to help teachers, parents, and the students see where the students' strengths and weaknesses are, as well as helping the faculty see strengths and weaknesses in our curriculum. These tests also serve as an excellent “practice” for the students to see and feel how a high stakes test such as the ACTs or SATs will be like. Please remind your child(ren) to do the best they can and use their God-given talents and abilities to serve Christ.

WSSA Stack-Up Competition On Thursday, November 9, TLS students will once again participate in the WSSA Stack Up competition. This is a competition intended to break the Guinness World Record for cup stacking. If you would like to join and see the students in action, please come to the school gymnasium by 2:00 PM

Hymn of the Week

Hymn 728: "Jerusalem the Golden"

Verse 1: (K-8)

Jerusalem the golden, With milk and honey blest
The sight of it refreshes the weary and oppressed:
I know not, oh, I know not what joys await us there,
What radiancy of glory, What bliss beyond compare:
To sing the hymn unending with all the martyr throng,
Amidst the halls of Zion resounding full with song.

Verse 2: (5-8)

Oh, sweet and blessed country, The home of God's elect!
Oh, sweet and blessed country that eager hearts expect,
Where they who with their leader have conquered in the fight
Forever and forever are clad in robes of white.
Jesus in mercy bring us to that dear land of rest
Where sings the host of heaven your glorious name to bless.
