SPIRITUAL INSPIRATIONS

Our God Is...Infinite

You are!"

"No, you are!"

"Yeah? Well, you are times a gazillion!"

Katie knew that gazillion was going to be tough to beat, but thinking hard she finally proclaimed: "Oh yeah? Well, you are ... to infinity!"

His jaw dropped because Joey knew his sister had him beat. How could he compete with infinity? Simply put, infinity means stretching on and on, without any end. When something is infinite it has no boundaries. It is unlimited and immeasurably great.

The Bible helps us understand the concept as it describes God. "Who can hide in secret places so that I cannot see them?" declares the LORD. 'Do not I fill heaven and earth?' declares the LORD" (Jeremiah 23:24).

There is only One who is everywhere, who always has been, who always will be, who had no beginning, and who will have no end. That is God. God wants us to feel good about him being infinite.

As we begin a new year, it can be great to know that God is always with us. Wherever the year takes us, God will be there too.

The comfort of God's unending presence is ours through faith in his Son, Jesus. As the Apostle Paul says: "In him and through faith in him we may approach God with freedom and confidence" (Ephesians 3:12).

God knows everything we think, everything we do, and most importantly, he knows everything we need. In fact, God already took care of our greatest need. He sent his infinite Son to be our Savior! Trust him.

Joey and Katie challenged each other with the concept of infinity. Come and visit us to learn more about the only one who can truly change your life so you have comfort that will last...to infinity!

Psalms:*

Psalm 13:5,6

But I trust in
your unfailing
love; my heart
rejoices in
your salvation.

⁶I will sing to
the LORD, for
he has been
good to me.

Outreach Committee:

Both the Christmas Scavenger Hunt and Christmas for Kids in-person were cancelled this year due to CoVID-19. However, we handed out Christmas for Kids boxes. 78 boxes were handed out to different families, reaching over 150 kids.

The Outreach Committee is also looking at updating brochures and older church literature to update any handouts that we give to new members and prospects.

Update on calls:

Rev. Matthew Schaeve and Mr. Kevin Lorge returned their calls to serve as pastor & 7th & 8th grade teacher and principal, respectively. The Council has set January 3rd at 1 pm for the date and time to have another call meeting to call for both of these vacant positions.

On December 6, 2020, the voters of Trinity called Ms. Hannah Holzhueter to serve as kindergarten teacher. Please keep her and Morrison Zion Lutheran School in your prayers as she deliberates this call.

**There will be a call meeting Sunday, January 3rd at 1:00 to call a second pastor and a 7th and 8th grade teacher/principal. Voters, please plan on attending.

Church council actions:

Church council has been gathering quotes for updating our video equipment with the ability to live stream services.

Church council has set Sunday, January 17, 2021, as the date for a Communion Service. Just like we had a communion service in April during quarantine, so we will have a communion service for those who are unable to attend Sunday morning worship services. Please sign up by calling the school office at 419-326-4402 or emailing tlsoffice@tlcjenera.org. We will limit the service to 50 people. If we have more than 50 people sign up, we will add another service one hour later. The communion service will start at 1 pm.

Trinity Lutheran School update:

School will resume on January 4th. Thank you to the teachers and children for being flexible as we adjusted Christmas Eve service plans and school days because of a case of CoVID-19 at school. We pray everyone remains health or returns to health as quickly as possible. We look forward to seeing you again on January 4th, the first Monday of 2021.

New stage lights will be installed in the gym during Christmas break.

Prairie Fire Theater has cancelled their plans for this year.

Memory Gem from God's Treasure

(for parents, children—everyone young and old!)

I tell you the truth, until heaven and earth disappear, not the smallest letter, not the least stroke of a pen, will by any means disappear from the Law until everything is accomplished.

A December to Remember

By Mr. Koepsell

This month was certainly an exciting one here at Trinity! Earlier in the month the 7th and 8th graders delivered trees and decorations to each class to get everyone into the Christmas spirit. In art the 1st through 4th graders began making manger, star, and cross ornaments to be hung on their Christmas trees at home. Each class planned a Christmas party and brought presents for a gift exchange. The entire school came together to practice their songs and recitations for the upcoming Christmas service. Each class dutifully memorized their parts and sang joyously in rehearsal for the Christmas even services.

Though it may be easy to dwell on the challenges that we've faced this month, we would all be better served to focus instead on the blessings our Lord has showered upon us in spite of our sin-sick world. When it became clear that school would need to close several days early due to COVID, it certainly threw a wrench into what were otherwise carefully-laid Christmas plans. With little time to spare, the faculty and students at Trinity sprang into action to record the songs on which they had all worked so hard. Even when trials and tribulations come our way, we would do well to remember how richly God cares for us. God blessed the students of Trinity Lutheran School with tremendous voices they put to good use to share the good news of Christ's birth. God blessed the faculty with gifts and abilities they applied to make all the moving pieces of the Christmas service come together at short notice. God blessed the church with many generous volunteers who dedicated their time and effort to glorify God by turning this Christmas service from a plan into reality. God has blessed each of us in many ways - from the ability to gather

together and worship to the love and support we all receive from our fellow believers to the amazing age of technology, health, and security in which we live. Amidst the hustle and bustle and other challenges we face everyday during this holiday season, we strive to remember the greatest gift God gave to us: his son, Jesus.
